Mr. Cal Riedel  
Allied Projects Ltd.  
7017 Farrell Rd. SE  
Calgary, AB T2H 0T3

Dear Mr. Riedel,

We're thrilled to share with you that the 4<sup>th</sup> Annual Funny Bone Comedy Night was a huge success - we raised more than \$88,000 for the Peter Lougheed Hospital. The Funny Bone Team, the Calgary Health Region and the Calgary Health Trust thank you for sponsoring and being part of a very important event - one that is making health care better in our community.

Funds from this year's event will help with the purchase of mobile computerized medication carts. This technology advances the process of administering medication to patients. With patient information stored electronically, and the computers being mobile, staff have complete access to patients' files at the bedside at the time of medication administration. This speeds up the process for updating information and keeps it all in one central location.

We commend your community involvement and sincerely appreciate that you have chosen to partner with the Calgary Health Trust as a sponsor. We hope your experience was positive and encourage you to share with us ways we can make that experience even better.

Laughter is the best medicine - we thank our generous donors, guests and volunteers who filled our prescription and made this event a great success.

Again, thank you for your support and community spirit.

Warm Regards,

Doug Jenkinson  
Co-Chair, Funny Bone Comedy Night 2007

Robert Baldauf  
Co-Chair, Funny Bone Comedy Night 2007
